

KNOWTIFY — 2026 ULTIMATE THEORY WORKBOOK

150 Practice Questions — 50 Questions Per Topic.

Topic 1 — First Aid & Driver Fitness (50 Questions)

Q1. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q2. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q3. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q4. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q5. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q6. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q7. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q8. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q9. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q10. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q11. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q12. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q13. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q14. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q15. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q16. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q17. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q18. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q19. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q20. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q21. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q22. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q23. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q24. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q25. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q26. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q27. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q28. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q29. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q30. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q31. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q32. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q33. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q34. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q35. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q36. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q37. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q38. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q39. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q40. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q41. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q42. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q43. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q44. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q45. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q46. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q47. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q48. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q49. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Q50. (First Aid) What is the safest action when dealing with a casualty at a roadside incident?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Drivers must prioritise safety, call emergency services and avoid further danger.

Topic 2 — Smart Motorways & Enforcement (50 Questions)

Q51. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q52. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q53. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q54. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q55. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q56. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q57. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q58. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q59. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q60. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q61. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q62. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q63. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q64. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q65. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q66. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q67. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q68. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q69. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q70. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q71. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q72. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q73. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q74. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q75. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q76. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q77. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q78. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q79. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q80. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q81. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q82. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q83. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q84. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q85. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q86. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q87. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q88. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q89. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q90. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q91. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q92. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q93. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q94. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q95. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q96. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q97. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q98. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q99. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Q100. (Smart Motorways) What should you do when a Red X appears above your motorway lane?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: A Red X means the lane is closed. Move lanes safely as soon as possible.

Topic 3 — Road Signs & Hazard Awareness (50 Questions)

Q101. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q102. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q103. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q104. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q105. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q106. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action

- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q107. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q108. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q109. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q110. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q111. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q112. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q113. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q114. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q115. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q116. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q117. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q118. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q119. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q120. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q121. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q122. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action

4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q123. (Road Signs) What do triangular road signs normally warn drivers about?

1 A) Unsafe action

2 B) Safest legal action

3 C) Fastest action

4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q124. (Road Signs) What do triangular road signs normally warn drivers about?

1 A) Unsafe action

2 B) Safest legal action

3 C) Fastest action

4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q125. (Road Signs) What do triangular road signs normally warn drivers about?

1 A) Unsafe action

2 B) Safest legal action

3 C) Fastest action

4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q126. (Road Signs) What do triangular road signs normally warn drivers about?

1 A) Unsafe action

2 B) Safest legal action

3 C) Fastest action

4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q127. (Road Signs) What do triangular road signs normally warn drivers about?

1 A) Unsafe action

2 B) Safest legal action

3 C) Fastest action

4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q128. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q129. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q130. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q131. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q132. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q133. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action

- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q134. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q135. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q136. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q137. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q138. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q139. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q140. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q141. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q142. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q143. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q144. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action

- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q145. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q146. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q147. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q148. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q149. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.

Q150. (Road Signs) What do triangular road signs normally warn drivers about?

- 1 A) Unsafe action
- 2 B) Safest legal action
- 3 C) Fastest action
- 4 D) Ignore situation

Correct Answer: B

Explanation: Triangles warn of hazards ahead and require drivers to prepare or slow down.
